

Instructions

Dear Supporter:

To help **Aquabox** undertake its legal obligations to UK Customs, the shipper and destination country authorities, it will greatly assist us if you would:

1. Complete the packer's details as requested at the foot of the obverse side.
2. As the box is filled, insert a tick against the pre-entered description of the good placed in the **Aquabox** or use a spare line in the appropriate section if not listed.

3. When completed, place this form with the Manifest overleaf fully visible in the provided document wallet.*
4. Remove the protective backing sheet from the rear of the wallet and affix to one of the long sides of the **Aquabox** so that the Manifest is easily readable during shipping.*

*If the A4 wallet is not available, please place manifest outside the plastic bag containing your donated items immediately underneath the lid for easy retrieval at the Depot.

Thank you for your continued support.
